

## Tax on Wheels

### The Tax Professional That Comes to You

This is Tax On Wheels. His name is Jim Bonello. A NY State employee for 26 years. And a Tax professional for 25 years during the tax seasons. He started out in New York City, working with his brother-in-laws from Queens, New York. In 2002, as a

resident of Pennsylvania, he saw many scenes such as this. Of people trying to leave his community to go do their taxes with the local tax companies. (H&R Block, Liberty, Jackson Hewitt). Seniors, Mothers with children, Dad coming home from work (just to go back out again). Thus Tax On Wheels was born. The Tax Professional that comes to you. No more going out in lousy winter weather. Waiting for the weather to improve, taking the risk of traveling in inclement weather. Tax On Wheels, Ltd. Uses the same software that is used by the IRS auditors. (Taxwise program by Universal Tax Systems, CCH, Inc.). Return fees are comparable to the big three and most CPAs. Your tax return is done in the convenience of your home (where

all your important documents are easily located). You can pay by cash, check, or (if you request refund by bank anticipated loan check) by having your fees deducted from your anticipated refund. You get a hard copy of your prepared return upon payment (a PDF copy is also available on disk if you prefer). Look for our ad in this paper and receive a 10% discount on all fees. Seniors (65+) receive a 20% discount on all fees. Just mention this advertisement. You get Electronic filing, home visit, direct deposit refunds, Bank refunds, file copy, all in the convenience of your home. No traveling on weathered roads. With today's technology and the use of a GPS, I can find almost any place in the area. Fast, Easy, Convenient, and Safe.
